

1. Project Overview

Goodreads is one of the world's largest platforms for readers, authors, and book enthusiasts. The platform hosts thousands of inspirational, motivational, and literary quotes.

This project aims to scrape quote-related information from Goodreads using Python and transform unstructured web data into a structured dataset for analysis and visualization.

2. Objectives

- Understand web scraping fundamentals.
- Extract quote information from Goodreads.
- Collect author details associated with each quote.
- Store extracted data in a structured format.
- Perform exploratory data analysis.
- Visualize insights using charts and graphs.

3. Problem Statement

Goodreads contains thousands of inspirational and literary quotes contributed by authors worldwide.

Manually collecting quote information such as quote text, author name, likes, and image URLs is time-consuming.

This project automates the extraction process using Python-based web scraping techniques and converts unstructured web content into a structured dataset suitable for analysis.

5. Tools and Libraries Used

Library	Purpose
Requests	Sending HTTP requests
BeautifulSoup	Parsing HTML content
Pandas	Data Storage & Analysis

Library	Purpose
Matplotlib	Data Visualization
NumPy	Numerical Operations

Development Environment

- Jupyter Notebook
- Python 3.x

```
import pandas as pd
from bs4 import BeautifulSoup
import requests
```

6. Importing Required Libraries

The following libraries are imported to perform web scraping, data manipulation, and visualization tasks.

7. Website Inspection

Before scraping data, the Goodreads Quotes webpage was inspected using browser developer tools.

Important HTML elements identified:

- Quote Container
- Author Name
- Quote Text
- Likes Count
- Author Image

These elements were later targeted using BeautifulSoup selectors.

```
In [2]: # getting the url
url="https://www.goodreads.com/quotes"
```

8. Defining Target URL

The Goodreads Quotes webpage is selected as the target source for extracting quote-related information.

```
In [5]: response = requests.get(url)
response.status_code # server denied request
```

Out[5]: 403

9. Sending HTTP Request

An HTTP GET request is sent to Goodreads.

A custom User-Agent header is included to mimic a real browser and avoid request denial by the server.

```
In [7]: headers = {  
        'user-agent': 'Mozilla/5.0 (Windows NT 10.0; Win64; x64)  
        }  
        response = requests.get(url, headers=headers)
```

```
In [8]: response.status_code # if 200 coming so that the response sta
```

Out[8]: 200

10. Verifying Response Status

A successful connection returns status code 200, indicating that the webpage content can be accessed and processed.

```
In [12]: if response.status_code ==200:  
        data = response.text # data is the html_doc  
        html_doc= data  
        print(data)
```

```

Masterful without being magisterial, this book's wise, gentle, candid reflections on the virtues and dangers of love draw on sources from Jane Austen to St. Augustine. The chapter on charity (love of God) may be the best thing Lewis ever wrote about Christianity. Consider his reflection on Augustine's teaching that one must love only God, because only God is eternal, and all earthly love will someday pass away: Who could conceivably begin to love God on such a prudential ground--because the security (so to speak) is better? Who could even include it among the grounds for loving? Would you choose a wife or a Friend--if it comes to that, would you choose a dog--in this spirit? One must be outside the world of love, of all loves, before one thus calculates. His description of Christianity here is no less forceful and opinionated than in Mere Christianity or The Problem of Pain, but it is far less anxious about its reader's response--and therefore more persuasive than any of his apologetics. When he begins to describe the nature of faith, Lewis writes: 'Take it as one man's reverie, almost one man's myth. If anything in it is useful to you, use it; if anything is not, never give it a second thought.' --Michael Joseph Gross&lt;/span&gt;\n

    &lt;span id=\"freeText2115662076091347471\" style=\"display:none\"&gt;standing on the fringes of life...\noffers a unique perspective. But there comes a time to see\nwhat it looks like from the dance floor.\n\nThis haunting novel about the dilemma of passivity vs. passion marks the stunning debut of a provocative new voice in contemporary fiction: The Perks of Being A WALLFLOWER\n\nThis is the story of what it's like to grow up in high school. More intimate than a diary, Charlie's letters are singular and unique, hilarious and devastating. We may not know where he lives. We may not know to whom he is writing. All we know is the world he shares. Caught between trying to live his life and trying to run from it puts him on a strange course through uncharted territory. The world of first dates and mixed tapes, family dramas and new friends. The world of sex, drugs, and The Rocky Horror Picture Show, when all one requires is that the perfect song on that perfect drive to feel infinite.\n\nThrough Charlie, Stephen Chbosky has created a deeply affecting coming-of-age story, a powerful novel that will spirit you back to those wild and poignant roller coaster days known as growing up.\n\n(back cover)&lt;/span&gt;\n

[Steve Jobs](/author/show/5255891.Steve_Jobs)

“Here's to the crazy ones. The misfits. The rebels. The troublemakers. The round pegs in the square holes. The ones who see things differently. They're not fond of rules. And they have no respect for the status quo. You can quote them, disagree with them, glorify or vilify them. About the only thing you can't do is ignore them. Because they change things. They push the human race forward. And while some may see them as

hem as the crazy ones, we see genius. Because the people who are crazy enough to think they can change the world, are the ones who do.”

―

Steve Jobs

```

ive essays forms a "spiritual autobiography"; of André Gide, a key figure of French letters

André Gide, a literary and intellectual giant of twentieth-century France, mines his memories and personal observations in this collection of essays. Gide's reflections and commentary masterfully showcase his delicate writing style and evocative sensibility, yielding new insights on writers such as Goethe and contemporaries Joseph Conrad, Nicolas Poussin, Arthur Rimbaud, and Paul-Maurice Verlaine.

Through it all, Gide skillfully investigates humanity's contradictory nature and struggles to resolve the moral, political, and religious conflicts inherent in daily life.

927096\" style=\"display:none\">The Four Loves summarizes fou
r kinds of human love--affection, friendship, erotic love, an
d the love of God. Masterful without being magisterial, this
book\'s wise, gentle, candid reflections on the virtues and d
angers of love draw on sources from Jane Austen to St. August
ine. The chapter on charity (love of God) may be the best thi
ng Lewis ever wrote about Christianity. Consider his reflecti
on on Augustine\'s teaching that one must love only God, beca
use only God is eternal, and all earthly love will someday pa
ss away: Who could conceivably begin to love God on such a p
rudential ground--because the security (so to speak) is bette
r? Who could even include it among the grounds for loving? Wo
uld you choose a wife or a Friend--if it comes to that, would

```

you choose a dog--in this spirit? One must be outside the wor-
ld of love, of all loves, before one thus calculates. His de-
scription of Christianity here is no less forceful and opinio-
nated than in Mere Christianity or The Problem of Pain, but it
is far less anxious about its reader's response--and there-
fore more persuasive than any of his apologetics. When he be-
gins to describe the nature of faith, Lewis writes: "Take
it as one man's reverie, almost one man's myth. If anything
in it is useful to you, use it; if anything is not, never give
it a second thought." --Michael Joseph Gross

\"display:none\">standing on the fringes of life...\noffers a
unique perspective. But there comes a time to see\nwhat it lo
oks like from the dance floor.\n\nThis haunting novel about t
he dilemma of passivity vs. passion marks the stunning debut
of a provocative new voice in contemporary fiction: The Perks
of Being A WALLFLOWER\n\nThis is the story of what it\'s like
to grow up in high school. More intimate than a diary, Charli
e\'s letters are singular and unique, hilarious and devastati
ng. We may not know where he lives. We may not know to whom h
e is writing. All we know is the world he shares. Caught betw
een trying to live his life and trying to run from it puts hi
m on a strange course through uncharted territory. The world
of first dates and mixed tapes, family dramas and new friend
s. The world of sex, drugs, and The Rocky Horror Picture Sho
w, when all one requires is that the perfect song on that per
fect drive to feel infinite.\n\nThrough Charlie, Stephen Chbo
sky has created a deeply affecting coming-of-age story, a pow
erful novel that will spirit you back to those wild and poign
ant roller coaster days known as growing up.\n\n(back cover)<

Twilight of the Idols presents a vivid, compressed overview of many of Nietzsche's mature ideas, including his attack on Plato's Socrates and on the Platonic legacy in Western philosophy and culture. Polt provides a trustworthy rendering of Nietzsche's text in contemporary American English, complete with notes prepared by the translator and Tracy Strong. An authoritative Introduction by Strong makes this an outstanding edition.

play:none">A haunting, magical fairy-tale collection, in which Oscar Wilde beautifully evokes (among others) The Happy Prince who was not so happy after all, The Selfish Giant who learned to love little children and The Star Child who did not love his parents as much as he should. Each of the stories shines with poetry and magic and will be enjoyed by children of every age. A perfect collection for children young and old, introduced by Markus Zusak, bestselling author of The Book Thief.

 <h2>The Four Loves</h2>\n\n <div>\n by C.S. Lewis\n </div>\n\n <div class=\"smallText uitext darkGreyText\">\n 4.17 avg rating — 70,376 ratings — published 1960\n </div>\n\n <div class=\"addBookTipDescription\">\n \nThe Four Loves summarizes four kinds of human love--affection, friendship, erotic love, and the love of God. Masterful without being magisterial, this book's wise, gentle, candid reflections on the virtues and dangers of love draw on sources from Jane Austen to St. Augustine. The chapter on charity (love of God) may be the best thing Lewis ever wrote about Christianity. Consider his reflection on Augustine's teaching that one must love only God, because only God is eternal, and all earthly love will someday pass away: Who could conceivably begin to love God on such a prudential ground--because the security (so to speak) is better? Who could even include it among the grounds for loving? Would you choose a wife or a Friend--if it comes to that, would you choose a dog--in this spirit? One must be outside the world of love, of all loves, before one thus calculates. His description of Christianity here is no less forceful and opinionated than in Mere Christianity or The Problem of Pain, but it is far less anxious about its reader's response--and therefore more persuasive than any of his apologetics. When he begins to describe the nature of faith, Lewis writes: 'Take it as one man's reverie, almost one man's myth. If anything in it is useful to you, use it; if anything is not, never give it a second thought.' --Michael Joseph Gross\n <a data-text-id=\"10225533235863927096\" href=\"#\" onclick=\"swapContent(\"$(this)\"); return false;\">...more\n\n </div>\n\n <div class=\"wtrButtonContainer wtrSignedOut\" id=\"2_book_30633\">\n <div class=\"wtrUp wtrLeft\">\n <form action=\"/shelf/add_to_shelf\" accept-charset=\"UTF-8\" method=\"post\"><input name=\"utf8\" type=\"hidden\" value=\"%✓\" /><input type=\"hidden\" name=\"authenticity_token\" value=\"A+FK/xKEMSUCkqMN4RRbkEst7ahbxzH3L9cNATS9NZ3yC6NvWGP6vPUV5tRCg9GQRkIpxl67UYFKdPZE6ulvQ=\" /><input type=\"hidden\" name=\"book_id\" id=\"book_id\" value=\"30633\" /><input

```

unique perspective. But there comes a time to see\nwhat it looks like from the dance floor.\n\nThis haunting novel about the dilemma of passivity vs. passion marks the stunning debut of a provocative new voice in contemporary fiction: The Perks of Being A WALLFLOWER\n\nThis is the story of what it's like to grow up in high school. More intimate than a diary, Charlie's letters are singular and unique, hilarious and devastating. We may not know where he lives. We may not know to whom he is writing. All we know is the world he shares. Caught between trying to live his life and trying to run from it puts him on a strange course through uncharted territory. The world of first dates and mixed tapes, family dramas and new friends. The world of sex, drugs, and The Rocky Horror Picture Show, when all one requires is that the perfect song on that perfect drive to feel infinite.\n\nThrough Charlie, Stephen Chbosky has created a deeply affecting coming-of-age story, a powerful novel that will spirit you back to those wild and poignant roller coaster days known as growing up.\n\n(back cover)</span>\n <a data-text-id=\"2115662076091347471\" href=\"#\" onclick=\"swapContent(\\\$(this));; return false;\">...more</a>\n\n </div>\n\n <div class='wtrButtonContainer wtrSignedOut' id='4\_book\_22628'>\n<div class='wtrUp wtrLeft'>\n<form action=\"/shelf/add\_to\_shelf\" accept-charset=\"UTF-8\" method=\"post\"><input name=\"utf8\" type=\"hidden\" value=\"&#x2713;\" /><input type=\"hidden\" name=\"authenticity\_token\" value=\"if0tfXFWiL0WeRCcm0m8RiD2iw9nUrdyAlj6l7wlct/91EkP3rM2cvmHDYv9x+JuIMM0Ht9HRvPbznV6q1wjta==\" /><input type=\"hidden\" name=\"book\_id\" id=\"book\_id\" value=\"22628\" /><input type=\"hidden\" name=\"name\" id=\"name\" value=\"to-read\" /><input type=\"hidden\" name=\"unique\_id\" id=\"unique\_id\" value=\"4\_book\_22628\" /><input type=\"hidden\" name=\"wtr\_new\" id=\"wtr\_new\" value=\"true\" /><input type=\"hidden\" name=\"from\_choice\" id=\"from\_choice\" value=\"false\" /><input type=\"hidden\" name=\"from\_home\_module\" id=\"from\_home\_module\" value=\"false\" /><input type=\"hidden\" name=\"ref\" id=\"ref\" value=\"\" class=\"wtrLeftUpRef\" /><input type=\"hidden\" name=\"existing\_review\" id=\"existing\_review\" value=\"false\" class=\"wtrExisting\" /><input type=\"hidden\" name=\"page\_url\" id=\"page\_url\" value=\"/quotes\" /><button class='wtrToRead' type='submit'>\n<span class='progressTrigger'>Want to Read</span>\n<span class='progressIndicator'>saving...</span>\n</button>\n</form>\n\n</div>\n\n<div class='wtrRight wtrUp'>\n<form class=\"hiddenShelfForm\" action=\"/shelf/add\_to\_shelf\" accept-charset=\"UTF-8\" method=\"post\"><input name=\"utf8\" type=\"hidden\" value=\"&#x2713;\" /><input type=\"hidden\" name=\"authenticity\_token\" value=\"yXIUNQ8yQ0UFzuxeudoC2G7VaEiifpOge4J1mFWagdW9W3BHoNf+Kuow8UnfVFzwbudXWRprYiGiFPp1QuPQvg=\" /><input type=\"hidden\" name=\"unique\_id\" id=\"unique\_id\" value=\"4\_book\_22628\" /><input type=\"hidden\" name=\"book\_id\" id=\"book\_id\" value=\"22628\" /><input type=\"hidden\" name=\"a\" id=\"a\" /><input type=\"hidden\" name=\"name\" id=\"name\" /><input type=\"hidden\" name=\"from\_choice\" id=\"from\_choice\" value=\"false\" /><input type=\"hidden\" name=\"from\_home\_module\" id=\"from\_home\_module\" value=\"false\" /><input type=\"hidden\" name=\"page\_url\" id=\"page\_url\" value=\"/quotes\" />\n</form>\n\n<button cla

## 12. Extracting Quote Containers

Each quote on Goodreads is stored within a dedicated HTML container.

BeautifulSoup is used to locate all quote blocks that contain author information, quote text, likes, and images.

```
In [20]: quotes = soup.find_all('div', class_="quotesDetails")
```

```
In [19]: print(quotes)
```

```

```

927096\" style=\"display:none\">The Four Loves summarizes four kinds of human love--affection, friendship, erotic love, and the love of God. Masterful without being magisterial, this book's wise, gentle, candid reflections on the virtues and dangers of love draw on sources from Jane Austen to Augustine. The chapter on charity (love of God) may be the best thing Lewis ever wrote about Christianity. Consider his reflection on Augustine's teaching that one must love only God, because only God is eternal, and all earthly love will someday pass away: Who could conceivably begin to love God on such a prudential ground--because the security (so to speak) is better? Who could even include it among the grounds for loving? Would you choose a wife or a Friend--if it comes to that, would you choose a dog--in this spirit? One must be outside the world of love, of all loves, before one thus calculates. His description of Christianity here is no less forceful and opinionated than in Mere Christianity or The Problem of Pain, but it is far less anxious about its reader's response--and therefore more persuasive than any of his apologetics. When he begins to describe the nature of faith, Lewis writes: "Take it as one man's reverie, almost one man's myth. If anything in it is useful to you, use it; if anything is not, never give it a second thought." --Michael Joseph Gross

But there comes a time to see</span>\nwhat it looks like from the dance floor.</span>\n\nThis haunting novel about the dilemma of passivity vs. passion marks the stunning debut of a provocative new voice in contemporary fiction: The Perks of Being A WALLFLOWER</span>\n\nThis is the story of what it's like to grow up in high school. More intimate than a diary, Charlie's letters are singular and unique, hilarious and devastating. We may not know where he lives. We may not know to whom he is writing. All we know is the world he shares. Caught between trying to live his life and trying to run from it puts him on a strange course through uncharted territory. The world of first dates and mixed tapes, family dramas and new friends. The world of sex, drugs, and The Rocky Horror Picture Show, when all one requires is that the perfect song on that perfect drive to feel infinite.</span>\n\nThrough Charlie, Stephen Chbosky has created a deeply affecting coming-of-age story, a powerful novel that will spirit you back to those wild and poignant roller coaster days known as growing up.</span>\n\n(back cover)</span>\n <a data-text-id="2115662076091347471" href="#" onclick="swapContent(\\$(this));; return false;">...more</a>\n\n </div>\n\n <div class="wtrButtonContainer wtrSignedOut" id="4\_book\_22628">\n<div class="wtrUp wtrLeft">\n<form action="/shelf/add\_to\_shelf" accept-charset="UTF-8" method="post"><input name="utf8" type="hidden" value="&#x2713;" /><input type="hidden" name="authenticity\_token" value="if0tfXFWiL0WeRCcm0m8RiD2iw9nUrdyAlj6l7w1ct/91EkP3rM2cvmHDYv9x+JuIMM0tH9HrVpBznV6q1wjtaA=" /><input type="hidden" name="book\_id" id="book\_id" value="22628" /><input type="hidden" name="name" id="name" value="to-read" /><input type="hidden" name="unique\_id" id="unique\_id" value="4\_book\_22628" /><input type="hidden" name="wtr\_new" id="wtr\_new" value="true" /><input type="hidden" name="from\_choice" id="from\_choice" value="false" /><input type="hidden" name="from\_home\_module" id="from\_home\_module" value="false" /><input type="hidden" name="ref" id="ref" value="" class="wtrLeft UpRef" /><input type="hidden" name="existing\_review" id="existing\_review" value="false" class="wtrExisting" /><input type="hidden" name="page\_url" id="page\_url" value="/quotes" /><button class="wtrToRead" type="submit">\n<span class="progressTrigger">Want to Read</span>\n<span class="progressIndicator">saving...</span>\n</button>\n</form>\n\n</div>\n\n<div class="wtrRight wtrUp">\n<form class="hiddenShelfForm" action="/shelf/add\_to\_shelf" accept-charset="UTF-8" method="post"><input name="utf8" type="hidden" value="&#x2713;" /><input type="hidden" na

g, magical fairy-tale collection, in which Oscar Wilde beautifully evokes (among others) The Happy Prince who was not so happy after all, The Selfish Giant who learned to love little children and The Star Child who did not love his parents as much as he should. Each of the stories shines with poetry and magic and will be enjoyed by children of every age. A perfect collection for children young and old, introduced by Markus Zusak, bestselling author of The Book Thief.

```

is memories and personal observations in this collection of essays. Gide's reflections and commentary masterfully showcase his delicate writing style and evocative sensibility, yielding new insights on writers such as Goethe and contemporaries Joseph Conrad, Nicolas Poussin, Arthur Rimbaud, and Paul-Maire Verlaine. Through it all, Gide skillfully investigates humanity's contradictory nature and struggles to resolve the moral, political, and religious conflicts inherent in daily life.

```
In [61]: quotes_data1=[]
```

## 13. Extracting Required Information

For each quote block, the following attributes are extracted:

- Author Image URL
- Author Name
- Quote Text
- Number of Likes

The extracted data is stored in a Python list of dictionaries.

```
In [64]: for quote in quotes:
 img = quote.find('img')
 name = quote.find('span',class_='authorOrTitle').get_text()
 quote_text= quote.find('div',class_='quoteText').get_text()
 likes= quote.find('a',class_='smallText').get_text(strip=True)
 image=img['src'] if img and img.has_attr('src') else ""

 quotes_data1.append({
 'image':image,
 'name':name,
 'quote_text':quote_text,
 'likes':likes,
 })
```

## 14. Creating Structured Dataset

The collected information is converted into a structured tabular format using Pandas DataFrame for easier analysis and visualization.

```
In [65]: quotes_data1
```

```

## 14. Creating Structured Dataset

The collected information is converted into a structured tabular format using Pandas DataFrame for easier analysis and visualization.

```
In [66]: df=pd.DataFrame(quotes_data1)
df
```
